DAY ONE: MONDAY 30 OCTOBER 2017

7.30am Registration Open Boulevard Level, BCEC

Plenary Sessions will be held in the Boulevard Auditorium, BCEC

8.15am Conference Opening

8.20am Welcome to Country, Songwoman Maroochy

8.30am Conference Overview and Housekeeping

8.45am - 9.15am Keynote Address: The Value and Future of Telemedicine

Professor Peter Yellowlees, University of California Davis and American Telemedicine Association, United States

9.15am - 9.25am Q&A Session with Professor Peter Yellowlees

9.25am - 9.55am Keynote Address: Change through Collaboration

Professor Jane Clemensen, Odense University Hospital, University of Southern Denmark, Odense, Denmark

9.55am - 10.05am Q&A Session with Professor Jane Clemensen

10.05am - 10.30am Industry Engagement Session

• Inline Medical & Dental
• Centre of Research Excellence in Telehealth
• Tunstall Health
• Australasian Telehealth Society
• Alcidion
• Coviu
• CeGA

10.30am Morning Tea, Exhibition & Poster Viewing

11.00am - 12.30am Concurrent Session 1 Mental Health

11.00am eCYMHS: Innovation and expansion in paediatric telepsychiatry

Jennylee Wood, Queensland Health, Australia

11.15am Improving early detection and service delivery in Child Psychiatry

Kirsi Bykachev, University of Eastern Finland, Pohjois-Savo, Finland

11.30am Internet Psychotherapy with net-step: a Therapist delivered IPT for Depression an Anxiety Disorders in Primary Care Patients

Ulrich Sprick, St. Alexius/St. Josef Clinic, Neuss, Germany

11.45am Developing video conferencing for remote child psychiatric consultations in Pohjois-Savo, Finland

Kirsi Bykachev, University of Eastern Finland, Pohjois-Savo, Finland

12.00pm Establishing and evaluating an online mental health peer support group – lessons learnt during the first 12 months

Monica Taylor, The University of Queensland, Australia & Julie Ling, Grow, Queensland, Australia

12.15pm Q&A with speakers

12.30pm - 1.15pm Lunch, Exhibition & Poster Viewing

1.15pm Concurrent Session 2 Allied Health Services

1.15pm Dental Health Services Victoria’s Tele-dentistry Pilot Program: Implementation and the way forward

Diane Collins, Nicole Heaphy & Hanlie Engelbrecht, Dental Health Services Victoria, Australia

1.30pm A MultiDisciplinary Renal Telehealth Service: Lessons Learnt

Karen Lucas, Metro South Health, Queensland, Australia

1.45pm Challenges and opportunities in delivering school-based allied health care via telehealth

Danette Langbecker & Lisa Garner, The University of Queensland, Australia

2.00pm Ipswich Hospital Telepharmacy Service – an innovation in inpatient clinical pharmacy activities

Katherine Nunn & Cal Winckel, Ipswich General Hospital, Queensland, Australia

2.15pm Lessons learned from a randomized controlled trial of a web-based stepped collaborative care intervention

Jennifer Steel, University of Pittsburgh, United States

2.30pm Outreach Rehabilitation Services

Shane Delves, Murrumbidgee Local Health District, New South Wales, Australia

2.45pm Barriers and facilitators to adopting telehealth within early hearing support services: A qualitative study using the COM-B model of behaviour change

Mansoureh Nickbakht, The University of Queensland, Australia

3.00pm Evaluation of the initial 30 days of a telenursing system for patients with CHF, DM, and COPD

Takuya Kanamori, St. Luke’s International University, Tokyo, Japan

3.15pm The Challenge in Establishing Teleaudiology for the Mater Cochlear Implant Clinic

Janeen Jardine, Mater Health Services, Queensland, Australia

3.30pm Q&A with speakers

3.45pm Q&A with speakers

4.00pm Q&A with speakers

Kookaburra Queen River Cruise, Eagle St Pier, Australia
**DAY TWO: TUESDAY 31 OCTOBER 2017**

**8.00am**
Registration Open  Boulevard Level, BCEC

**Plenary Sessions will be held in the Boulevard Auditorium, Boulevard Level of BCEC**

**9.00am**
Welcome Day Two

**9.10am**
Keynote Address: My Health Record and the Digital Health Strategy for Australia  
Dr Kim Webber, Australian Digital Health Agency, New South Wales, Australia

**9.40am - 9.50am**
Q&A Session with Dr Kim Webber

**9.50am**
Oral Poster Session

**9.50am**
Addressing primary care access challenges in regional and remote WA with after hours telehealth  
Amandeep Hansra, Telstra Health, New South Wales, Australia

**9.55am**
Dermatologist remuneration expectations for store-and-forward teledermoscopy  
Centaine L. Snoswell, The University of Queensland, Australia

**10.00am**
Does utilising an m-health platform enhance cardiac rehabilitation participation?  
Marlien Varnfield, CSIRO, Queensland, Australia

**10.05am**
Engineering a mobile-based self-management system for tubercular patients: TBMed Development study  
Shararaeh R. Niakan Kalhori, Tehran University of Medical Sciences, Tehran, Iran

**10.10am**
Telehealth throughout the Cancer Journey  
Michelle Judd, GV Health, Victoria, Australia

**10.15am**
Flying Doctor Telehealth: A collaborative effort and partnership approach to delivering Telehealth services in rural Victoria  
Jocelyn Syme, Royal Flying Doctor Service Victoria, Victoria, Australia

**10.20am**
Usability Of A Personal Assistant And Health Coach Application To Support Telerehabilitation Post-Stroke  
Maayken van den Berg, Flinders University, South Australia, Australia

**10.25am**
Telehealth and autism: are telehealth language assessments feasible and well tolerated by students on the spectrum?  
Rebecca Sutherland, Children's Hospital at Westmead, New South Wales, Australia

**11.00am**
Telehealth and autism: are telehealth language assessments feasible and well tolerated by students on the spectrum?  
Rebecca Sutherland, Children's Hospital at Westmead, New South Wales, Australia

**11.15am**
Evaluation of the implementation of telehealth dysphagia services within 5 health districts across Queensland Health  
Clare Burns, Royal Brisbane & Women's Hospital, Queensland Health, Australia

**11.30am**
Comparing the effect of service model for the delivery of intensive, preventative swallowing therapy to patients with head/neck cancer: A 3-arm RCT  
Laurelie Wall, The University of Queensland, Australia

**11.45am**
Speech pathology and telehealth: from assessment and intervention to community capacity building  
Silvia Pfeiffer, CSIRO / Coviu Pty Ltd, New South Wales, Australia

---

**Room B1**

**11.00am - 12.30pm**
Concurrent Session 8  
Speech and Language Therapies

**11.00am**
Telehealth and autism: are telehealth language assessments feasible and well tolerated by students on the spectrum?  
Rebecca Sutherland, Children's Hospital at Westmead, New South Wales, Australia

**11.15am**
Evaluation of the implementation of telehealth dysphagia services within 5 health districts across Queensland Health
